

Public Private Partnership in Mauritius

By

Mr. P. Beeharry

6 May 2009

PPP Committee

The PPP Committee has been set up to deal with all matters relating to a public-private partnership project.

The Committee consists of –

- (a) the Director, Procurement Policy Office, who is the Chairperson;**
- (b) a representative of the Ministry of Finance and Economic Development;**
- (c) a representative of the Ministry of Public Infrastructure; and**
- (d) a representative of the Attorney-General's Office.**

The Committee may co-opt such other persons as may be of assistance in relation to any matter before the Committee.

Institutional Framework (cont...)

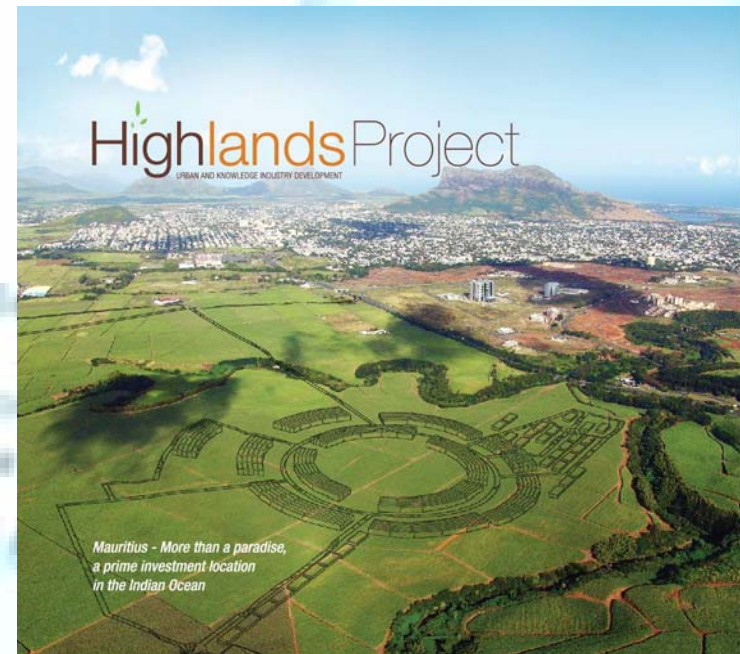

Functions of the PPP Committee

The Committee has the responsibility to:

- (a) assess feasibility studies of PPP projects submitted by the contracting authority;
- (b) develop best practice guidelines in relation to all aspects of public-private partnership;
- (c) formulate policy in relation to public-private partnership projects; and
- (d) develop public-private partnership awareness in the country.

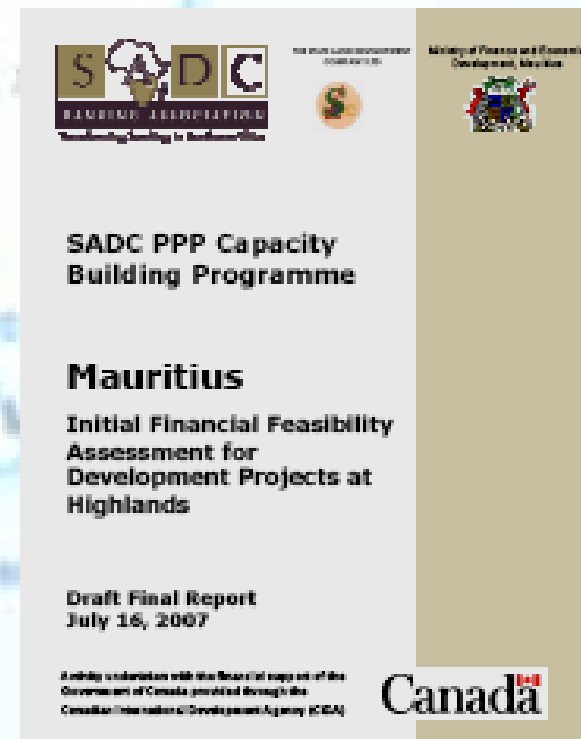

Highlands Project

- **Mega Project: US \$ 3 billion**
- **920 ha of prime land to develop**
- **Government buildings to be relocated to Highlands**
